Item 2320 Redelivery of LTL Shipments - Private Residences or Non-Commercial Locations

Section 01

Effective Jan/01/08

If a shipment is tendered for delivery as defined in Item 210 and delivery cannot be accomplished through no fault of the Carrier, no further efforts will be made to effect delivery except on request. The charge for redelivery will be the rates published in WWMF300 that would otherwise apply on a shipment originating at the Carrier's terminal location and delivering at the redelivery location. This charge will be applied on each subsequent delivery attempt, including the final delivery, and will be in addition to all other applicable charges.
