WWMF 100 Rules Tariff

Item 2340 Carrier Load or Unload of Truckload Shipments

Section 01

Effective Jan/01/08

Except as otherwise provided in connection with specific rates or rate tables set out in tariffs making reference to this item, truckload rates are subject to Shipper load and Consignee unload. Where request or demand is made of Carrier to either load or unload a shipment, and where Carrier's driver(s) or agent must physically handle the merchandise, a charge of (BELOW) will be assessed for loading, and a charge of (BELOW) will be assessed for unloading. These charges will be in addition to all other charges:

Charge Per Cwt:	M/C Per Trailer:
\$.50	\$150.00
