

Wiseway Transportation Services

WWMF 100 Rules Tariff

Item 2440 Cartage Service

Section 01

Effective Jan/01/08

Carrier will provide a driver and tractor, and trailer when requested, to be used in the provision of local cartage services subject to a charge of (BELOW). For the purpose of calculating such charges, total chargeable hours is defined as the total time elapsed between the driver's departure from Carrier's terminal, or most recent dispatch location, and the driver's return to Carrier's terminal, or arrival at next dispatch location, whichever results in the fewest number of total hours:

| | |
|------------------------------|----------|
| Charge Per 15-minute Period: | M/C: |
| \$20.00 | \$240.00 |
